Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Nassan's Place Community Center for Autism in fiscal year 2023. The entity to receive funding for this project is Nassan's Place, located at 134-136 Clinton Avenue, Newark NJ 07114. The funding would be used to build a state-of-the-art Autism Center that will serve children and families affected by Autism in low to moderate income households in urban inner-city communities. Nassan's Place Community Center for Autism will provide access to affordable educational and recreational programs, support services and resources. The center will consist of classrooms, full gymnasium, kitchen, sensory rooms, office space, conference rooms and other amenities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Donald M. Payne, Jr.
Member of Congress
